Sir:

In connection with the accompanying complete formalities response to the *Notice to File Missing Parts of Nonprovisional Application* mailed August 18, 2026, and the *Notice of Incomplete Reply* mailed October 1, 2026, Applicant respectfully submits this statement regarding the statutory reply period under 37 CFR § 1.136(a):

1. **Timeliness within Initial Two-Month Statutory Period (35 U.S.C. § 21 & 37 CFR § 1.7(a)):**
   The Notice to File Missing Parts was mailed on August 18, 2026. The initial two-month period for reply set forth in said Notice expires on Sunday, October 18, 2026. Pursuant to 35 U.S.C. § 21 and 37 CFR § 1.7(a), because the two-month deadline falls on a Sunday, the statutory period for reply extends automatically to the next succeeding business day, **Monday, October 19, 2026**. Because this response is submitted on October 10, 2026, it is fully timely filed within the original two-month period without requiring an extension of time. The extension fee due today is **$0.00**.

2. **Conditional Extension of Time Request (37 CFR § 1.136(a)):**
   In the alternative, if the Office should determine for any administrative reason that an extension

of time is required to maintain the pendency of this application, Applicant respectfully petitions for a conditional extension of time for the necessary period under 37 CFR § 1.136(a), and requests that any applicable extension fee be deducted from the **$450.00 in unapplied funds on deposit** held under this application serial number pursuant to 37 CFR § 1.25(b) and MPEP § 509.

Respectfully submitted,

/Reinaldo Javier Aguiar Marcano/
