CONDITIONAL REQUEST FOR SUSPENSION OF ACTION

PURSUANT TO 37 CFR § 1.103(a) AND MPEP § 709

Mail Stop Missing Parts

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Applicant respectfully requests a six-month suspension of action pursuant to 37 CFR § 1.103(a) and MPEP § 709, conditionally structured to take effect upon pre-examination clearance.

I. Conditional Structure and Good Cause

Pursuant to MPEP § 709, a suspension of action under 37 CFR § 1.103(a) may not be granted while an application is undergoing pre-examination processing or while a Notice to File Missing Parts is outstanding. Applicant concurrently cures all cited formal defects and settles all statutory fees. Accordingly, Applicant respectfully requests that this request be held conditionally and take effect immediately upon pre-examination clearance and transfer of the application to the examining art unit.

Good cause for suspension exists due to pending civil litigation in the United States District Court for the Southern District of Texas, Houston Division, Case No. 4:26-cv-08794 (Judge Kenneth M. Hoyt; Cause: 28:1983 Civil Rights, Nature of Suit: 440). Judicial economy and administrative efficiency are served by suspending Office action for six months while preliminary judicial proceedings are conducted.

II. Processing Fee (Fee Code 2830)

Pursuant to 37 CFR § 1.17(i), the processing fee for a suspension of action under 37 CFR § 1.103(a) for a Small Entity is $60.00 (Fee Code 2830). Applicant remits this fee concurrently herewith via credit card payment at Patent Center checkout.

III. Conclusion

Applicant respectfully requests that the Office grant this request for a six-month suspension of action under 37 CFR § 1.103(a), conditionally effective upon entry of the pre-examination curative papers and transfer to the Technology Center.

Respectfully submitted,

/Reinaldo Javier Aguiar Marcano/
