Art Unit / Examiner:	Demetrius Jones
Customer Number:	226458
Entity Status:	Small Entity (37 CFR § 1.27)
Title of Invention:	METHOD AND SYSTEM FOR HIGH-BANDWIDTH, FREE-SPACE OPTICAL DATA EXCHANGE BETWEEN MOBILE DEVICES

PETITION FOR EXTENSION OF TIME UNDER 37 CFR § 1.136(a)

Commissioner for Patents

P.O. Box 1450, Alexandria, VA 22313-1450

`www.uspto.gov`

Applicant respectfully submits this Petition for Extension of Time under 37 CFR § 1.136(a) in connection with the Notice to File Missing Parts mailed August 18, 2026.

I. Statement of Timeliness and Extension Period Requested

The two-month base response period set in the Notice expired on Sunday, October 18, 2026. Under 35 U.S.C. § 21(b) and 37 CFR § 1.7, the period to reply automatically extends to Monday, October 19, 2026. Because the responsive papers are executed and submitted today, October 18, 2026, the submission is within the initial two-month statutory response window. Therefore, zero months of extension are required, and the fee due under 37 CFR § 1.17(a) is $0.00.

II. Conditional Petition Safeguard

To eliminate any risk of procedural abandonment under 35 U.S.C. § 133, Applicant conditionally petitions for an extension of time of one (1) month under 37 CFR § 1.136(a) (Fee Code 2251, $94.00 Small Entity) solely in the event that the Office considers this submission to require an extension. In such event, Applicant respectfully requests that the Office satisfy the $94.00 extension fee from the $364.00 unapplied deposit funds held on docket pursuant to 37 CFR § 1.22(b) and MPEP § 509.

III. Conclusion

Applicant respectfully requests that the Office confirm timeliness of the concurrent pre-examination response without assessment of extension fees.

Respectfully submitted,

/Reinaldo Javier Aguiar Marcano/
