Commissioner for Patents

P.O. Box 1450, Alexandria, VA 22313-1450

`www.uspto.gov`

Applicant respectfully requests a suspension of action for a period of up to six (6) months pursuant to 37 CFR § 1.103(a) and MPEP § 709, conditionally effective upon pre-examination formalities clearance.

I. Conditional Structure and Ripeness

Applicant recognizes that under MPEP § 709, a suspension of action cannot be granted while pre-examination missing parts remain outstanding. Accordingly, this request is expressly

conditioned to take effect upon entry of the accompanying curative formalities instruments and advancement of the application to the examining corps.

II. Showing of Good and Sufficient Cause

Good cause exists for suspension due to active federal litigation involving the inventor's portfolio: *United States District Court for the Southern District of Texas, Houston Division, Case No. 4:26-cv-08794 (Judge Kenneth M. Hoyt; Cause: 28:1983 Civil Rights, Nature of Suit: 440).* A temporary suspension of prosecution will preserve judicial and administrative resources while legal proceedings proceed.

III. Satisfaction of Fee

The statutory processing fee of $60.00 required under 37 CFR § 1.17(i) (Fee Code 2830, Small Entity) is remitted concurrently herewith at electronic checkout.

IV. Conclusion

Respectfully submitted,
