App. No.: 19/559,745

Filing Date: March 6, 2026

Title: SYSTEM AND METHOD FOR COVERT COMMUNICATION USING ARRANGEMENTS OF SATELLITE-OBSERVABLE, DISTINCTIVELY COLORED OBJECTS

CONDITIONAL PETITION FOR EXTENSION OF TIME UNDER 37 CFR § 1.136(a)

Applicant respectfully submits this Conditional Petition for Extension of Time under 37 CFR § 1.136(a). The present response is filed on October 19, 2026, which is within the initial two-month statutory period set by the Notice to File Missing Parts mailed August 20, 2026 (expiring October 20, 2026). Therefore, no extension of time is required, and no extension fee is due.

In the event that the Office determines that an extension of time is required for any reason to render this response timely, Applicant respectfully petitions for such extension of time and requests that the Office apply the necessary fee from the $450.00 in unapplied deposit credits currently held on this docket, pursuant to 37 CFR § 1.22(b).

Applicant respectfully requests that the Office accept the statutory timeliness of this response.

Respectfully submitted,

/Reinaldo Javier Aguiar Marcano/
