APPLICANT'S SUPPLEMENTAL RESPONSE TO PRE-EXAMINATION NOTICES

Application No.: 19/561,223

Filing Date: March 9, 2026

Inventor: Reinaldo Javier Aguiar Marcano

Title: SYSTEM AND METHOD FOR N-GRAM PARALLEL DATA ENCODING

Applicant respectfully submits this Superseding Supplemental Response to Pre-Examination Notices. This instrument is expressly designed to supersede the prior responses filed on October 10 and October 11, 2026, to ensure a single, unified, and perfected operative instrument governs the pre-examination record, curing all cited defects with absolute finality.

I. Reaffirmation of Small Entity Status

Applicant explicitly reaffirms Small Entity status under 37 CFR § 1.27.

II. Substitute Specification and 37 CFR § 1.125(b) Certification

Applicant concurrently files a Substitute Specification, including a clean copy and a marked-up copy pursuant to 37 CFR § 1.125(c). The sole purposes of this substitution are:

1. To excise embedded drawings to standalone formal sheets (37 CFR § 1.58(a));
2. To segregate the claims and abstract to separate sheets (37 CFR §§ 1.72(b), 1.75(h)); and
3. To delete the paragraph titled "Statement of License Grant to the United States Government" in its entirety to preserve Applicant's Small Entity status under 37 CFR § 1.27.

Applicant hereby certifies that the technical disclosure remains invariant and that these procedural changes introduce no new matter into the application.

III. Statutory Fee Satisfaction

Applicant emphasizes that all mandatory pre-examination base fees totaling $970.00 have been fully satisfied and are recorded in the docket XML: Basic Filing Fee ($70.00, Code 4011, paid 10/11/2026); Search Fee ($308.00, Code 2111, paid 10/11/2026); Examination Fee ($352.00, Code 2311, paid 10/11/2026); Non-DOCX Surcharge ($172.00, Code 2054, paid 10/11/2026); Late Surcharge ($68.00, Code 2051, paid 07/31/2026). Furthermore, the maximum 5-month Extension of Time fee ($1,358.00, Code 2255) was fully satisfied on 10/11/2026. The Suspension fee ($60.00, Code 2830) was satisfied on 10/10/2026. Therefore, the net point-of-sale checkout remittance required today is $0.00. The Office is respectfully requested to immediately advance this application.

IV. Conclusion

Applicant respectfully requests the following operative reliefs: 1. Acceptance of statutory timeliness and the 5-month extension of time; 2. Acceptance and full entry of the curative formalities instruments (Substitute Specification, Replacement Claims, Replacement Abstract, Formal Drawings, and Perfected Declaration); 3. Grant of the conditional suspension of action; 4. Full fee clearance and advancement of the application to the examining art unit.

Respectfully submitted,

/Reinaldo Javier Aguiar Marcano/
