IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

CONDITIONAL REQUEST FOR SUSPENSION OF ACTION PURSUANT TO 37 CFR § 1.103(a)

(OPERATIVE UPON PRE-EXAMINATION CLEARANCE AND ASSIGNMENT TO EXAMINER)

Applicant / Sole Inventor:	Reinaldo Javier Aguiar Marcano
Application Number:	19/748,206
Filing Date:	July 21, 2026
Confirmation Number:	5301
Art Unit / Examiner:	Initial Exam / Demetrius Jones
Entity Status:	Small Entity (37 CFR § 1.27)
Title of Invention:	COVERT BIDIRECTIONAL ACTIVE-MATRIX ILLUMINATION AND IMAGING APPARATUS

Applicant respectfully requests a suspension of action for a period of six (6) months pursuant to 37 CFR § 1.103(a) and MPEP § 709, structured as a conditional request to take effect immediately upon completion of pre-examination formalities processing.

I. Showing of Good and Sufficient Cause

Good cause exists for the requested suspension. Applicant is currently prosecuting complex federal civil rights litigation in the United States District Court for the Southern District of Texas, Houston Division, Case No. 4:26-cv-08794 (Judge Kenneth M. Hoyt; Cause: 28:1983 Civil Rights, Nature of Suit: 440). This pending litigation involves contested state court orders that have placed severe constraints on Applicant's physical liberty and resources. A

temporary suspension of action during examination will preserve judicial economy, prevent administrative default, and allow Applicant to coordinate examination proceedings.

II. Satisfaction of Statutory Processing Fee

The statutory processing fee of $60.00 for a Small Entity under 37 CFR § 1.17(i) (Fee Code 2830) is remitted concurrently herewith via Patent Center electronic point-of-sale checkout.

Respectfully submitted,

/Reinaldo Javier Aguiar Marcano/
