Good morning Mr. and Mrs. Miller,

My name is Reinaldo Aguiar, I am a former Staff Engineer (Google) and a former Managing Director (Goldman Sachs).

I am currently looking for representation regarding a portfolio of 40 inventions. I have already filed patent applications with the USPTO, they are attached to this email in the PDF file ISBN-978-1-97-148129-6__Portfolio-of-Patent-Applications-Submitted-to-the-USPTO_v2.1998.5.pdf.

I am looking for legal representation to protect these inventions against a technical adversary that is taking active steps to steal them. This adversary is backed by what I believe is RICO Enterprise, on which I have been blowing the whistle on and reported them to Federal Authorities, including Hon. Colin McDonald and Hon. Cody Matthew Herche at the DOJ. Documentation related to this matter is also attached to this email.

Looking forward to the possibility of being represented by your firm on the matters above,

Sincerely

Reinaldo J. Aguiar Marcano
