This is a Registered Email™ message from **RJ Aguiar JR.**.

Dear Mrs. Romo,

As a way of introduction, my name is Reinaldo Aguiar Marcano. I am the Principal at a firm focusing on Aerospace, Sat-Comm and Fleet-logistic technologies, and a former Managing Director at Goldman Sachs and Staff Engineer at Google.

I recently filed Whistleblower reports with the IRS, the OFAC, FinCEN and the SEC, and less than two weeks after, the entities I reported to these federal agencies triggered a retaliatory action against me, using the IRS as a tool of retaliation.

I am responding to these adverse actions using the channels within the IRS, the CRCO and the TIGTA, but I thought it might be a good idea to bring this to your attention directly. Please find my letter of protest addressed to the IRS, attached to this email.

Respectfully,

Reinaldo Aguiar Marcano
