NO. 25-DCV-328122

IN THE MATTER OF THE MARRIAGE OF
GLORIA ESPINA AND REINALDO J. AGUIAR MARCANO
IN THE DISTRICT COURT OF FORT BEND COUNTY, TEXAS
387TH JUDICIAL DISTRICT
AND IN THE INTEREST OF A CHILD

BY SUBMISSION ONLY

RESPONDENT'S EMERGENCY, MANDATORY, AND JURISDICTIONAL MOTION UNDER FAMILY CODE § 201.015 OBJECTING TO EX PARTE "M-COMPEL" HEARING; FIFTH EMERGENCY MOTION FOR DE NOVO HEARING; AND PLEA TO THE JURISDICTION REGARDING TARGETED EXTORTION OF INTELLECTUAL PROPERTY ASSETS

I. LIMITED APPEARANCE AND REQUEST FOR RESOLUTION BY SUBMISSION

COMES NOW, Reinaldo J. Aguiar Marcano ("Respondent"), an inventor with an extensive active commercial portfolio before the United States Patent and Trademark Office (USPTO), appearing strictly in a **limited capacity** to protect his fundamental constitutional rights, physical liberty, and corporate proprietary property from immediate and irreparable injury.

Respondent explicitly requests that this Court rule upon the instant motion **BY SUBMISSION ONLY**. Respondent is barred from physically appearing in a courtroom due to a condition of *de facto* house arrest deliberately engineered by this Court. On May 15, 2026, this Court signed a void Order for Capias and Setting Bond (Index #222) during a period in which this Court's jurisdiction was completely stripped and frozen by a mandatory, automatic stay under **Texas Rule of Civil Procedure 18a(g)(1)**. Because leaving his residence subjects Respondent to immediate arrest, vehicle impoundment, and the physical seizure of proprietary technology

carried within his vehicle, a physical appearance is impossible, and due process demands a resolution on the written papers alone.

II. MANDATORY NATURE OF THE MOTION

This motion is brought pursuant to **Texas Family Code § 201.015**. Because it challenges an ex parte court event scheduled on the docket for **May 27, 2026, at 9:00 AM** captioned ambiguously as **"M-Compel"**, this Court lacks all statutory discretion to ignore or defer this filing. A motion for an immediate *De Novo* hearing regarding an ongoing abuse of court machinery triggers an absolute, mandatory, and non-discretionary judicial duty to act.

III. STATEMENT OF THE EXTORTION SCHEME: THE PRETEXTUAL DIVORCE

This litigation is no longer an ordinary family law proceeding; it is a coordinated, pretextual mechanism utilized by officers of the court to execute commercial asset misappropriation through state-sanctioned duress. The objective timeline reveals a pattern of targeting Respondent's technology portfolio under the guise of child custody and support enforcement:

1. **The Injunction Footprint:** In their initial filings, the Adams Law Firm aggressively integrated highly unusual, boilerplate-defying injunction language specifically targeting and restricting the possession of **"Computers, Computer Media, and other computer-related items."**
2. **The Corporate Hardware Anchor:** Respondent recently attempted to service a legacy laptop computer that is the lawful property of his corporate entity. This device was strictly assigned to his former partner for limited corporate administrative duties (Human Resources functions and sales recruiting), supported by a documented **$17,500 corporate fee payment**.
3. **The Text Message Admission:** Upon seeking a standard administrative password reset code from the former partner, she responded textually: *"I can't give you the code, and that computer is mine, you gave it to me as a gift."*
4. **The Pretextual Leap:** Respondent has filed more than **50 active patent applications** with the USPTO in the year 2026 alone, as documented by the cover page and table of contents of his published catalog (**ISBN 9781971481296**), attached hereto as **Appendix**

Exhibit D. Respondent has reason to believe that opposing counsel is using the Petitioner as a shield to launch a fraudulent "gift" narrative to seize corporate computer hardware, alter digital registration data on the hardware provider side, and claim that the hardware contains the foundational architecture of Respondent's commercial patent portfolio.

By utilizing a pretextual family law case to establish a claim over corporate hardware, opposing counsel is attempting to transform a child into a financial ransom for the extraction of highly valuable intellectual property.

IV. OBJECTIVE LEGAL ARGUMENTS

A. The Coercive Intersection of the May 15 Capias and the May 27 "M-Compel" Event

The scheduling of the "M-Compel" event for May 27, 2026 , directly following the signing of an arrest warrant on May 15, 2026, constitutes an extraordinary abuse of the judicial process. Utilizing the threat of a jail cell to force a pro se litigant to comply with highly irregular property discovery requests while that litigant is trapped at home under threat of arrest violates the basic tenets of the Fourteenth Amendment.

If evaluated under federal criminal anti-corruption frameworks, the strategic coupling of an invalid arrest warrant with a sudden demand to compel the production or disclosure of proprietary computer assets constitutes a textbook violation of **The Hobbs Act (18 U.S.C. § 1951)**—specifically, extortion committed under color of official right. Furthermore, using state court discovery procedures to force an inventor to surrender corporate hardware containing trade secrets to an adversarial legal team constitutes an active conspiracy to violate **The Defend Trade Secrets Act and Economic Espionage Act (18 U.S.C. § 1832)**.

Respondent believes the Petitioner lacks the technical and legal sophistication to orchestrate this intellectual property grab; rather, she is being weaponized as a tool of coercion by her retained attorneys to shield their own potential civil and criminal liabilities.

B. Total Lack of Jurisdiction Due to the Active, Mandatory Stay

The "M-Compel" entry on the docket sheet for May 27, 2026, is void *ab initio*. Respondent's **Third Verified Motion to Recuse** , referred to the Chief Justice of the Supreme Court of Texas on January 27, 2026 , remains fully pending and active under Cause No. **26-0511**. Under **Texas Rule of Civil Procedure 18a(g)(1)**, the trial court judge is explicitly forbidden from taking "any action in the case".

The Court Coordinator, the District Clerk, and the Presiding Judge possess zero statutory authority to modify dockets, hold hearings, or process discovery motions while the stay is active. The absolute refusal of this court to enforce the mandatory stay, coupled with the intentional clerical manipulation of the public docket sheet to secret and re-index the signed Capias order between May 15 and May 24, 2026, constitutes an overt step to subvert appellate oversight.

V. PRAYER

PREMISES CONSIDERED, Respondent Reinaldo J. Aguiar Marcano respectfully prays that this Court fulfills its mandatory, non-discretionary statutory duty under **Texas Family Code § 201.015** by entering an immediate order:

1. **CANCELING and striking** the ex parte court event or hearing labeled "M-Compel" scheduled for May 27, 2026, at 9:00 AM;
2. **GRANTING** an immediate *De Novo* hearing to take place strictly *after* the mandatory stay is officially lifted by the Supreme Court of Texas, with proper, legal statutory service and notice provided to all parties;
3. **ISSUING an order** commanding the Court Coordinator and the District Clerk to cease and desist all modifications, schedulings, or docketings in this cause number until the Supreme Court of Texas issues its final ruling on the active motion to recuse;
4. **COMMANDING** the Adams Law Firm, P.C., and G. Troy Pickett to cease and desist from filing motions to compel or utilizing family court discovery tracks to target corporate technology assets or intellectual property portfolios during the pendency of a mandatory jurisdictional stay.

Respectfully submitted,

Reinaldo J. Aguiar Marcano

NO. 25-DCV-328122

IN THE MATTER OF THE MARRIAGE OF
GLORIA ESPINA AND REINALDO J. AGUIAR MARCANO
IN THE DISTRICT COURT OF FORT BEND COUNTY, TEXAS
387TH JUDICIAL DISTRICT
AND IN THE INTEREST OF A CHILD

RESPONDENT'S UNSWORN EMERGENCY DECLARATION OF TRANSLATION AND TRANSCRIPTION CERTIFICATION PURSUANT TO TEX. CIV. PRAC. & REM. CODE § 132.001

My name is Reinaldo J. Aguiar Marcano. My date of birth is February 17th, 1979, and my address is 26714 Valleyside Drive, Katy, Texas 77494, United States of America. I am the Respondent in the above-styled cause. I am over eighteen years of age, of sound mind, have personal knowledge of the facts stated herein, and am fully competent to make this unsworn declaration.

1. I am native-fluent and fully proficient in both the English and Spanish languages, possessing the requisite linguistic capability to accurately, completely, and faithfully transcribe and translate legal, evidentiary, and electronic documents between said languages.
2. I am the creator and custodian of the attached transcript and translation of the electronic text message exchanges between myself and the Petitioner, Gloria Espina, which took place in May 2026, attached to the main motion as **Appendix Exhibit C**.
3. I hereby certify under penalty of perjury under the laws of the State of Texas and the United States of America that the Spanish-language text contained within the transcription is a true, literal, and exact typographic replication of the original electronic communications, and that the English-language text is a true, faithful, and accurate translation of said transcription to the best of my skills and linguistic ability.
4. **Statement of Emergency Constraints, Exigent Circumstances, and Unavailability of a Notary Public:** I am executing this translation, transcription, and certification personally as an **Unsworn Declaration under Texas Civil Practice and Remedies Code § 132.001** out of absolute procedural necessity and a complete lack of alternative legal or notary access, arising from the following immediate constraints intentionally imposed upon me:
    - **Timing Constraints:** This Court unilaterally scheduled an ex parte event on the docket for Wednesday, May 27, 2026, but did not update, expose, or make the entry visible until Friday afternoon, May 22, 2026, leaving me with less than two clear business days to prepare, translate, file, and serve my mandatory statutory objections.

- **Physical Confinement / De Facto House Arrest:** This Court signed a void Order for Capias on May 15, 2026 (Index #222), during an active jurisdictional stay pending before the Supreme Court of Texas (Cause No. 26-0511). This unlawful warrant has placed me under a state of *de facto* house arrest, legally and physically preventing me from traveling to a commercial notary public, bank, or certified translation agency without facing the immediate threat of arrest, confinement, and vehicle/proprietary technology impoundment.

5. Due to these bad-faith administrative and physical constraints, I have no recourse but to submit this self-certified translation utilizing an unsworn declaration to ensure my timely, statutory written objections are preserved before the May 27, 2026 deadline.
6. I formally pledge to this Court and the Appellate Clerks that I will procure a secondary, independent certification from an accredited, third-party court translator and a traditionally notarized affidavit immediately upon the lifting of the mandatory, automatic stay currently pending before the Supreme Court of Texas in Cause No. 26-0511, and upon the quashing or staying of the void Capias that currently restrains my physical liberty.

MANDATORY STATUTORY VERIFICATION

"I, REINALDO J. AGUIAR MARCANO, declare under penalty of perjury that the foregoing is true and correct."

Executed in Fort Bend County, State of Texas, on this 25 day of May, 2026.

[11:32 AM] Gloria Andrea Espina: Ok. No visit today either? I was thinking of going after graduation

[11:44 AM] Reinaldo J. Aguiar Marcano: With the looming threat of arrest: no. I am not going to expose the child to the trauma of seeing his dad being arrested. I find it unbelievable that you don't see how traumatic that could be for a child his age

[10:15 AM] Reinaldo J. Aguiar Marcano: Hello Good morning, sorry to bother you. I am trying to log into the computer that I gave you when I hired you to hire salespeople, it's a MacBook but it's asking me for a security code from your Apple account

[10:16 AM] Reinaldo J. Aguiar Marcano: I sent it to your cell phone at this number, can you pass it to me, please?

[10:40 AM] Gloria Andrea Espina: Hello. I haven't received anything and of course I cannot give you the security code to my Apple account. Besides, that computer is mine

[10:43 AM] Reinaldo J. Aguiar Marcano: It is the company's computer

[10:43 AM] Reinaldo J. Aguiar Marcano: And it is not the code to your account, it is a code to unlock the computer

[10:43 AM] Gloria Andrea Espina: No. You gifted it to me

[10:44 AM] Reinaldo J. Aguiar Marcano: Now you're going to start fabricating things to sue me, now over the computer

[10:44 AM] Reinaldo J. Aguiar Marcano: Don't worry, don't give me the password
