Sir:

Pursuant to 37 CFR § 1.103(a) and MPEP § 709, the pro se Applicant, Reinaldo Javier Aguiar Marcano, hereby respectfully requests that the Office suspend action in the above-identified application for a period of **six (6) months**.

## I. CONDITIONAL NATURE OF REQUEST (MPEP § 709)

Applicant acknowledges that under MPEP § 709, a suspension of action under 37 CFR § 1.103(a) cannot be granted during pre-examination processing while a Notice to File Missing Parts or Notice of Incomplete Reply is outstanding. Accordingly, this request is expressly structured as a **CONDITIONAL REQUEST** to take effect automatically upon the Office of Patent Application Processing (OPAP) verifying that the accompanying response package has fully cured all pre-examination formalities and entering the application into Technology Center 2100.

## II. SHOWING OF GOOD AND SUFFICIENT CAUSE

Good and sufficient cause exists for the requested suspension under 37 CFR § 1.103(a):

1. **Active Federal Civil Rights and Constitutional Litigation:**
   Applicant is the sole plaintiff in active federal litigation currently pending before the United States District Court for the Southern District of Texas, Houston Division, Case No. 4:26-cv-08794 (assigned to Judge Kenneth M. Hoyt; Cause: 28:1983 Civil Rights, Nature of Suit: 440 Civil Rights).

2. **Protection of Patent Rights and Preservation of Status Quo:**
   The federal action seeks emergency injunctive relief to restrain unlawful state-court proceedings that have severely impaired Applicant's physical liberty and ability to access commercial counsel. A six-month suspension will allow the federal court to rule on the pending application for temporary restraining order and preserve Applicant's intellectual property assets without forcing premature abandonment or uncoordinated prosecution.

## III. STATUTORY PROCESSING FEE RECONCILIATION

The processing fee for a request for suspension under 37 CFR § 1.17(i) is **$60.00** for a Small Entity (Fee Code 2830). Applicant remits said $60.00 fee concurrently herewith via electronic fee payment in Patent Center, directly satisfying the requirement noted in Footnote 1 of the Decision on Petition mailed October 8, 2026.

Respectfully submitted,
