Dear Clerk's Office / **Please forward to Case Manager Cynthia Horace:**

I am writing to provide a procedural heads-up regarding a physical filing arriving today via ***FedEx (Tracking No. 878683545891)*** for Case No. 4:26-cv-08794.

The FedEx envelope contains an Emergency Motion for Reconsideration of the Court's Order at Dkt. 10. Because this motion addresses the exact same time-sensitive emergency circumstances that necessitated the original Emergency Motion (Dkt. 2), I respectfully request that the Court's standard 21-day submission date not be automatically applied to this docket entry. Applying the standard 21-day timeline would effectively moot the emergency relief sought. I ask that chambers be notified of its emergency nature upon docketing.

Additionally, the FedEx envelope contains four (4) physical service packages intended for the U.S. Marshals Service to effectuate service pursuant to Dkt. 8. Each of the four packages contains 10 pages: a completed Form USM-285, and one copy each of Dkt. 3 (Summons), Dkt. 1 (Complaint), and Dkt. 8 (Order).

I kindly request that these service packages be routed directly to the U.S. Marshals Service to avoid any delay in service.

Thank you for your time and assistance with these administrative matters.

Respectfully,
Reinaldo J. Aguiar Marcano
