Transcription of Original Audio

1. **[00:00:00] Reinaldo J. Aguiar Marcano: [out of frame] [inaudible 00:00:03]** ¿Pero no te dijo nada de la nota?

2. **[00:00:11] Gloria Espina:** No. Tú sabes cómo es.

3. **[00:00:13] Reinaldo J. Aguiar Marcano: [out of frame]** ¿No sabes qué es la nota?

4. **[00:00:17] Gloria Espina:** No sé a qué te refieres.

5. **[00:00:20] Reinaldo J. Aguiar Marcano: [out of frame]** Mierda, o sea, pero-- o sea, cuando-- cuando ocurrió la mediación…

6. **[00:00:24] Gloria Espina:** Ajá.

7. **[00:00:25] Reinaldo J. Aguiar Marcano: [out of frame]** …después que hablé yo con él, ¿qué te dijo él a ti? ¿Qué pedí yo?

8. **[00:00:30] Gloria Espina:** De-- No, que nada, nada podía ser negociado y **[unintelligible 00:00:34]** como puede, porque no puede ser negociado. La mediación no tiene sentido.

9. **[00:00:38] Reinaldo J. Aguiar Marcano: [out of frame]** O sea, ¿él te dijo ahí-- él te dijo ahí que la mediación no tenía sentido?

10. **[00:00:41] Gloria Espina:** Exacto.

11. **[00:00:42] Reinaldo J. Aguiar Marcano: [out of frame]** ¿No te pidió nada?

12. **[00:00:42] Gloria Espina:** No. **[5 second pause]** ¿Por qué?

13. **[00:00:49] Reinaldo J. Aguiar Marcano: [out of frame]** Porque eso no fue lo que pasó.

14. **[00:00:53] Gloria Espina: [inaudible 00:00:53]**

15. **[00:00:56] Reinaldo J. Aguiar Marcano: [out of frame]** Este carajo no sé qué cree, de verdad.

16. **[00:00:57] Gloria Espina:** Pe-- pe-- pe-- pero, ¿qué era?
17. **[00:00:58] Reinaldo J. Aguiar Marcano: [out of frame]** Lo que pasó fue esto…

18. **[00:00:59] Gloria Espina:** Ajá.

19. **[00:00:59] Reinaldo J. Aguiar Marcano: [out of frame]** …cuando él habló conmigo…

20. **[00:01:00] Gloria Espina:** Ajá.

21. **[00:01:00] Reinaldo J. Aguiar Marcano: [out of frame]** …yo le digo todo esto que te estoy diciendo…

22. **[00:01:02] Gloria Espina:** Sí.

23. **[00:01:02] Reinaldo J. Aguiar Marcano: [out of frame]** …y yo le digo al carajo…

24. **[00:01:04] Gloria Espina:** Ajá.

25. **[00:01:04] Reinaldo J. Aguiar Marcano: [out of frame]** …este, o sea: "Esto no tiene sentido…"

26. **[00:01:08] Gloria Espina:** Ajá.

27. **[00:01:09] Reinaldo J. Aguiar Marcano: [out of frame]** "…pero yo te tengo una posible solución", le digo yo para-- Y el carajo me dice: "¿Cuál?". Entonces le dije: "Mira, yo estoy dispuesto a negociar, yo soy flexible y estoy dispuesto a aceptar todo lo que quieras, lo único que yo pido es que me den una nota escrita por Gloria a mano…"

28. **[00:01:24] Gloria Espina:** Ajá.

29. **[00:01:24] Reinaldo J. Aguiar Marcano: [out of frame]** "…que diga que ella no tiene ningún motivo para pensar…"

30. **[00:01:28] Gloria Espina:** Ah, sí, sí, sí.

31. **[00:01:28] Reinaldo J. Aguiar Marcano: [out of frame]** "…que yo no puedo negociar".

32. **[00:01:29] Gloria Espina:** Eso sí-- eso sí. Eso-- eso sí me dijo, pero no, no podía, no podía hacer eso. No podía hacer eso.

33. **[00:01:37] Reinaldo J. Aguiar Marcano: [out of frame]** ¿Él te dijo que no lo hicieras?

34. **[00:01:38] Gloria Espina:** No, no, me dijo la abogada que no podía hacer eso porque, o sea, porque yo lo puse en el caso. O sea, ya no, o sea-- o sea, voy a quedar yo como que: "Ajá, sí, estoy n-- n-- ah, saco mentiras así de la nada". Yo no puedo hacer eso. **[unintelligible 00:01:53]**

35. **[00:01:55] Reinaldo J. Aguiar Marcano: [out of frame]** O sea, ¿tu objetivo es declararme loco?

36. **[00:01:57] Gloria Espina:** No es declararte loco, yo pensaba en la mediación.

37. **[00:02:00] Reinaldo J. Aguiar Marcano: [out of frame]** Ajá.

38. **[00:02:00] Gloria Espina:** O sea…

39. **[00:02:01] Reinaldo J. Aguiar Marcano: [out of frame]** Pero-- pero si hubiésemos mediado y llegado a un acuerdo, ¿entonces no me hubiesen hecho una evaluación psiquiátrica?

40. **[00:02:05] Gloria Espina:** O sea, yo pensaba en la evaluación y yo se lo había dicho a Morgan, o sea, yo no quiero *bring this up*, o sea, yo no quiero *bring this-- those issues up*. Yo le dije: "Yo no quiero *supervised visits*", se lo dije, o sea, yo estoy dispuesta a estar con Marcelo cuando a él le toque estar con él, con Marcelo, este-- pero *I don't want to bring this up*. Entonces-- lo estamos-- o sea, eso era lo que íbamos a hacer, o sea, ver, *supervise*, o sea, no *supervised* sino mi-- el *schedule* de Marcelo, cuándo iba a estar contigo, cuándo iba a estar conmigo, pero una vez que tú traes eso, ya no puedo hacer nada.

41. **[00:02:38] Reinaldo J. Aguiar Marcano: [out of frame]** Pero eso es lo que no entiendo, o sea, si-- si eso no iba a ser un *issue*--

42. **[00:02:41] Gloria Espina:** Sí.

43. **[00:02:42] Reinaldo J. Aguiar Marcano: [out of frame]** …¿por qué darme la nota era un problema?

44. **[00:02:45] Gloria Espina:** Porque ya e-- porque íbamos, si íbamos a ir para el-- para el juicio, o sea, ya tú estabas en la broma de que no quieres más mediación, tú me lo dijiste a mí: "Esto es una mediación, no quiero más mediación". Si ya después íbamos a ir a un *issue* y yo a ti te hago una nota diciendo que no-- ¿Me entiendes? Después yo podía quedar yo como que: "Ajá, ¿esta mujer qué?, dice una cosa y después dice la otra". Yo no sé qué viene después, yo no puedo confiar en ti, de que de ahí en mediación to-- to-- todo

se me va a cuadrar. O sea, de verdad yo no puedo confiar en ti. Pero yo iba con la-- yo iba con-- con las mayores fuerzas del mundo de resolver todo ahí en ese momento.

45. **[00:03:17] Reinaldo J. Aguiar Marcano: [out of frame]** Sí, pero es confuso, o sea, porque lo que estás diciendo es que, o sea, si hubiésemos llegado a un acuerdo allí, no hubiese habido necesidad de que me hicieran ninguna evaluación psiquiátrica.

46. **[00:03:26] Gloria Espina:** Correcto.

47. **[00:03:27] Reinaldo J. Aguiar Marcano: [out of frame]** Pero si no llegamos a un acuerdo, entonces tú vas a push for la evaluación psiquiátrica. O sea, es un arma, la evaluación psiquiátrica.

48. **[00:03:31] Gloria Espina:** No, no, no es un arma, sino que eso fue realmente lo que tú dijiste, o sea, eso fue lo que me dijo él, que fuera un third party para ver si un juez decidía, ¿me entiendes?

49. **[00:03:40] Reinaldo J. Aguiar Marcano: [out of frame]** No, no. Lo que yo le dije a él fue: "Vamos-- vamos-- vamos a que me den una nota a mano…"

50. **[00:03:43] Gloria Espina:** Ujum.

51. **[00:03:43] Reinaldo J. Aguiar Marcano: [out of frame]** "…que diga que-- no, no es que estás diciendo. O sea, tú no tienes-- tú no tienes capacidad legal para-- para evaluar mi-- mi sanidad".

52. **[00:03:49] Gloria Espina:** Sí, pero no.

53. **[00:03:50] Reinaldo J. Aguiar Marcano: [out of frame]** Lo que la-- la nota iba a decir era que tú no tienes ninguna razón para pensar que yo no podía entrar en un contrato, o sea, que yo podía mentalmente negociar y contratar contigo, o sea, lo cual es básico. O sea, si quieres una-- un contrato, tienes que asumir que la otra persona está legalmente habilitada…

54. **[00:04:05] Gloria Espina:** Ah, okay, entiendo. Exacto.

55. **[00:04:06] Reinaldo J. Aguiar Marcano: [out of frame]** …o sea, está sana para firmar un contrato.

56. **[00:04:07] Gloria Espina:** Sí, pero básicamente, o sea, es como que invalida lo que-- el punto de vista de antes. Entonces, bueno, pues, básicamente ese era mi plan, o sea, de verdad, hacerlo lo más pacífico posible. Y, o sea, pues ya, **[unintelligible 00:04:23]** o sea, todo eso lo cuadramos, y-- y yo me quedo con él, ¿me entiendes? O sea, estaba

dispuesta para él, pero, eso fue antes de todo. De verdad, yo creo que es lo más pacífico para Marcelo. Es lo que menos quiero, pero, no sé, no puedes decirlo.

57. **[00:04:55] Reinaldo J. Aguiar Marcano: [out of frame]** No, y de verdad que **[unintelligible 00:04:56]** yo he tratado, ¿tú no ves yo he tratado? Tengo un mes tratando. Yo tengo un mes tratando, pero no puedo permitir que me declaren loco legalmente, Gloria, obviamente eso no lo voy a permitir. O sea, que-- que-- que me manden para-- para un manicomio, y me medi-- me mediquen a juro. No, eso no va a pasar.

58. **[00:05:16] Gloria Espina:** O sea, pero yo te digo, si se te hace una evaluación, el-- el psiquiatra dice.

59. **[00:05:19] Reinaldo J. Aguiar Marcano: [out of frame]** No, no, eso hay que hablarlo con un juez…

60. **[00:05:20] Gloria Espina:** Bueno, exacto.

61. **[00:05:21] Reinaldo J. Aguiar Marcano: [out of frame]** …y el juez, yo tengo que darle mis argumentos, y decirle por qué yo creo que antes del psicólogo tiene que venir el FBI, antes del psiquiatra, tiene que venir el FBI. No porque el-- no porque una persona haga unos *claims* que a ti te parezcan o que a la abogada le parezcan increíbles, significa que la persona está loca. Eso no funciona así. Tienen una persona capacitada para ver los *claims*, que trabaja en eso, y decir: "Coño, esto es una locura. Sí, vamos a mandarlo para un psiquiatra". Okay, yo voy para el psiquiatra. Pero no porque a ustedes les parezca increíble el *claim*, yo voy para un psiquiatra, eso no es así. Si fuera así, imagínate, nadie pudiese denunciar a nadie, a todo el mundo lo llamarían loco. “No, ese coño lo que está es loco”.

Unsworn Declaration

English Translation of Original Audio

1. **[00:00:00] Reinaldo J. Aguiar Marcano: [out of frame] [inaudible 00:00:03]** But didn't he say anything to you about the note?

2. **[00:00:11] Gloria Espina:** No. You know how he is.

3. **[00:00:13] Reinaldo J. Aguiar Marcano: [out of frame]** You don't know what the note is?

4. **[00:00:17] Gloria Espina:** I don't know what you mean.

5. **[00:00:20] Reinaldo J. Aguiar Marcano: [out of frame]** Damn— I mean— when— when the mediation happened…

6. **[00:00:24] Gloria Espina:** Uh-huh.

7. **[00:00:25] Reinaldo J. Aguiar Marcano: [out of frame]** …after I talked to him, what did he say to you? What did I ask for?

8. **[00:00:30] Gloria Espina:** Like— No, that nothing, nothing could be negotiated and [unintelligible 00:00:34] that's how it is, because it can't be negotiated. Mediation doesn't make sense.

9. **[00:00:38] Reinaldo J. Aguiar Marcano: [out of frame]** So, he told you then— he told you then that mediation didn't make sense?

10. **[00:00:41] Gloria Espina:** Exactly.

11. **[00:00:42] Reinaldo J. Aguiar Marcano: [out of frame]** He didn't ask you for anything?

12. **[00:00:42] Gloria Espina:** No. [5 second pause] Why?

13. **[00:00:49] Reinaldo J. Aguiar Marcano: [out of frame]** Because that's not what happened.

14. **[00:00:53] Gloria Espina: [inaudible 00:00:53]**

15. **[00:00:56] Reinaldo J. Aguiar Marcano: [out of frame]** I honestly don't know what this guy thinks.

16. **[00:00:57] Gloria Espina:** Bu— bu— bu— but what was it?

17. **[00:00:58] Reinaldo J. Aguiar Marcano: [out of frame]** This is what happened…

18. **[00:00:59] Gloria Espina:** Uh-huh.

19. **[00:00:59] Reinaldo J. Aguiar Marcano: [out of frame]** …when he spoke to me…

20. **[00:01:00] Gloria Espina:** Uh-huh.

21. **[00:01:00] Reinaldo J. Aguiar Marcano: [out of frame]** …I told him everything I'm telling you now…

22. **[00:01:02] Gloria Espina:** Yes.

23. **[00:01:02] Reinaldo J. Aguiar Marcano: [out of frame]** …and I told the guy…

24. **[00:01:04] Gloria Espina:** Uh-huh.

25. **[00:01:04] Reinaldo J. Aguiar Marcano: [out of frame]** …like, "This doesn't make sense…"

26. **[00:01:08] Gloria Espina:** Uh-huh.

27. **[00:01:09] Reinaldo J. Aguiar Marcano: [out of frame]** "…but I have a potential solution," I said to him— and he goes, "What?" Then I said: "Look, I'm willing to negotiate, I'm flexible, and I'm willing to accept whatever you want. The only thing I ask is that Gloria give me a handwritten note…"

28. **[00:01:24] Gloria Espina:** Uh-huh.

29. **[00:01:24] Reinaldo J. Aguiar Marcano: [out of frame]** "…saying that she has no reason to think…"

30. **[00:01:28] Gloria Espina:** Oh, yes, yes, yes.

31. **[00:01:28] Reinaldo J. Aguiar Marcano: [out of frame]** "…that I can't negotiate."

32. **[00:01:29] Gloria Espina:** That yes—that yes. That—that he did tell me, but no, I couldn't, I couldn't do that. I couldn't do that.

33. **[00:01:37] Reinaldo J. Aguiar Marcano: [out of frame]** He told you not to do it?

34. **[00:01:38] Gloria Espina:** No, no, the lawyer told me I couldn't do that because, I mean, because I put it in the case. I mean, no longer, I mean—I would end up looking like: "Uh-huh, yes, I'm j— j— just making up lies out of nowhere." I can't do that **[unintelligible 00:01:53].**

35. **[00:01:55] Reinaldo J. Aguiar Marcano: [out of frame]** So your goal is to declare me crazy?

36. **[00:01:57] Gloria Espina:** It's not to declare you crazy— I was thinking about mediation.

37. **[00:02:00] Reinaldo J. Aguiar Marcano: [out of frame]** Uh-huh.

38. **[00:02:00] Gloria Espina:** I mean…

39. **[00:02:01] Reinaldo J. Aguiar Marcano: [out of frame]** But— but if we had mediated and reached an agreement, then they wouldn't have made me undergo a psychiatric evaluation?

40. **[00:02:05] Gloria Espina:** I mean, I was thinking about the evaluation and I had already told Morgan, I mean, I don't want to bring this up, I mean, I don't want to bring this—those issues up. I told him: "I don't want supervised visits," I told him, I mean, I'm willing to be with Marcelo when it's his time to be with him, with Marcelo, um—but I don't want to bring this up. So—we were—we were going to do that, I mean, look, supervise, I mean not supervised but my—the schedule of Marcelo, when he was going to be with you, when he was going to be with me, but once you bring that up, I can't do anything anymore.

41. **[00:02:38] Reinaldo J. Aguiar Marcano: [out of frame]**: But that's what I don't understand, I mean, if—if that wasn't going to be an issue…

42. **[00:02:41] Gloria Espina:** Yes.

43. **[00:02:42] Reinaldo J. Aguiar Marcano: [out of frame]** …why was giving me the note a problem?

44. **[00:02:45] Gloria Espina:** Because we were— because we were going to go to— to trial; I mean, you were already set on not wanting any more mediation. You told me yourself: "This is mediation; I don't want any more mediation." So if later we were going to go make it into an issue and I give you a note saying I don't— you get me? Then I could end up looking like, "Uh-huh, what's with this woman? She says one thing and then says another." I don't know what comes next. I can't trust you that from there, in mediation, ev— ev— everything is going to be settled. I mean, really, I can't trust you. But I went— I went with all the strength in the world to resolve everything right there in that moment.

45. **[00:03:17] Reinaldo J. Aguiar Marcano: [out of frame]** Yes, but it's confusing— because what you're saying is that if we had reached an agreement there, there wouldn't have been any need for me to undergo a psychiatric evaluation.

46. **[00:03:26] Gloria Espina:** Correct.

47. **[00:03:27] Reinaldo J. Aguiar Marcano: [out of frame]** But if we don't reach an agreement, then you're going to push for the psychiatric evaluation. So, the psychiatric evaluation is a weapon.

48. **[00:03:31] Gloria Espina:** No, no, it's not a weapon— it's that that was really what you said, that's what he told me, that there would be a third party to see if a judge would decide, you know?

49. **[00:03:40] Reinaldo J. Aguiar Marcano: [out of frame]** No, no. What I told him was: "Let's— let's— let's get them to give me a handwritten note…"

50. **[00:03:43] Gloria Espina:** Mm-hmm.

51. **[00:03:43] Reinaldo J. Aguiar Marcano: [out of frame]** "…saying that— no, that's not what you're saying. I mean, you don't— you don't have the legal capacity to evaluate my— my sanity."

52. **[00:03:49] Gloria Espina:** Yes, but no.

53. **[00:03:50] Reinaldo J. Aguiar Marcano: [out of frame]** What the note was going to say was that you have no reason to think I couldn't enter into a contract— that I was mentally able to negotiate and make a contract with you— which is basic. I mean, if you want a contract, you have to assume the other person is legally competent…

54. **[00:04:05] Gloria Espina:** Ah, okay— I get it. Exactly.

55. **[00:04:06] Reinaldo J. Aguiar Marcano: [out of frame]** …that I'm of sound mind to sign a contract.

56. **[00:04:07]** Yes, but basically, I mean, it kind of invalidates what— the previous point of view. So, well, that was basically my plan— really, to do it as peacefully as possible. And, like, well, **[unintelligible 00:04:23]** like, we sorted all that out, and— and I stay with him, you know? I mean, I was willing for him, but that was before everything. Honestly, I think it's the most peaceful thing for Marcelo. It's what I want the least, but, I don't know, you can't say it.

57. **[00:04:55] Reinaldo J. Aguiar Marcano: [out of frame]** No, and really **[unintelligible 00:04:56]** I've tried— don't you see I've tried? I've been trying for a month. I've been trying for a month, but I can't allow them to declare me legally insane, Gloria— obviously I'm not going to allow that. I mean, for them to send me to an asylum and me— medicate me by force. No, that's not going to happen.

58. **[00:05:16] Gloria Espina:** I mean, but I'm telling you, if an evaluation is done, the psychiatrist decides.

59. **[00:05:19] Reinaldo J. Aguiar Marcano: [out of frame]** No, no, that has to be discussed with a judge…

60. **[00:05:20] Gloria Espina:** Well, exactly.

61. **[00:05:21] Reinaldo J. Aguiar Marcano: [out of frame]** …and the judge— I have to present my arguments and tell him why I think that before the psychologist, there has to be the FBI. Before the psychiatrist, there has to be the FBI. Just because— just because someone makes claims that seem unbelievable to you, or to the lawyer, doesn't mean the person is crazy. That's not how it works. They have a qualified person who looks at the claims— who works on that— and says: "Damn, this is crazy. Yes, let's send him to a psychiatrist." Okay, I'll go to the psychiatrist. But not because the claims seem unbelievable to you all, I have to go to a psychiatrist— that's not how it works. If it worked like that, imagine— no one could report anyone; everyone would be called crazy. "No, that guy's just crazy."
